Dear Public Housing Partner,

The U.S. Department of Housing and Urban Development announced in April of last year that it planned to close a number of smaller field offices as part of a realignment of staff resources to better support program delivery. Nationwide, HUD closed 10 offices in October 2013 and two additional offices in March 2014. Over the next month, four additional offices will be closed: Sacramento, San Diego, and Fresno, California, and Tucson, Arizona. This action will have a minimal impact on program delivery and customer service.

This realignment will better utilize staff and result in significant operational savings. We will implement this realignment without disrupting the program delivery network currently serving your community.

The field office located in Sacramento will be closing to the public on May 16, 2014.

As the Sacramento office closes and this area transitions into the jurisdiction of the San Francisco Regional Office, I will be transitioning to the regional office and will continue to serve the Sacramento Valley alongside the Deputy Regional Administrator for Region 9, Wayne Sauseda. I can be reached at my current phone number (916) 498-5212 and email address cynthia.l.abbott@hud.gov, and will alert you when or if that contact information changes.

Please post the enclosed notice in common area of your properties and your offices. If you have any questions, please let me know. Thank you for your assistance.

Sincerely,

A handwritten signature in blue ink that reads "Cynthia L. Abbott".

Cynthia L. Abbott
Field Office Director
